My Diary

august. 30, 1978.

Wednesday

I had a nice summer. But Sunday, August 20th, we went to Las Vegas. It was really fun. I didn't like it when we came back. A couple days after we came back from Las Vegas, we went to a wedding. On that same day in the afternoon, I got bit by a mouse. I had picked it up. Everyone thought it was really stupid to pick it up. But my friend and I felt

sorry for it.
After the wedding,
my mother and
my grandmother
took me to the
emergency. I
thought that
they were going
to give me a
shot. I hate shots
But instead of
a shot they put
my hand in
some yellow stuff.
It was so that
I don't need a
shot. The wedd-
ing was on
Saturday. Then
Sunday, my Aunt,
my Uncle, my

Aunts' sister, and my two cousins came over. My Aunts' sisters' name is, Audrey. Audrey and I were playing we had fun. Then about 2:00, we went to the dairy. Then at 4:00, we went to the park. My Uncle dropped us off. When we got home from the park we ate dinner, then they had to go home. It was fun that day.

Then Mondary
I went to my
friends' house
to go swimming.
Then at 6:00, I
had to go water.
I have a water-
ing job. Tuesday
I went swimming
at my friends
house again. We
played barbies,
too. Then I
went to go
water. On
Wednesday I
woke up, watch-
ed T.V. for a
while, then I
started my
diary. After I did

my diary for a half hour. I went to my friends house. We played barbies for a while, then we went swimming in her pool. We stayed in the pool for a while then we got out and played barbies again. We played for a long time, then we went swimming again for a long time. When we got out we stayed out for a while.

when her mother
came home from
work. They took
me to dinner
with them. When
we came back,
I had to go
water. after I
watered, I went
to bar-on with
my friend and
her mother.
When we came
back we went
to my house.
I asked if she
could sleep over.
But my mother
said no. I had
forgotten a bag
at her house.

We went back to her house and got the bag. When I got home, I played cards with my brother. We played a couple of games. After I played then I started doing my diary. Then I watched T.V. for a long time, then I went to bed. That was a nice day.
